

SINCE 1885

Sexual Violence Policy

- (a) Anderson College of Health, Business and Technology is committed to providing its students with an educational environment free from sexual violence and treating its students who report incidents of sexual violence with dignity and respect.
- (b) Anderson College of Health, Business and Technology has adopted this Sexual Violence Policy, which defines sexual violence and outlines its training, reporting, investigative and disciplinary responses to complaints of sexual violence made by its students that have occurred on its campus, or at one of its events and involve its students.
- (c) The person accused of engaging in sexual violence will be referred to as the "Respondent" and the person making the allegation as the "Complainant".

2. Definition of Sexual Violence

Sexual violence means any sexual act or act targeting a person's sexuality, gender identity or gender expression, whether the act is physical or psychological in nature, that is committed, threatened or attempted against a person without the person's consent, and includes sexual assault, sexual harassment, stalking, indecent exposure, voyeurism and sexual exploitation.

3. Training, Reporting and Responding to Sexual Violence

- (a) Anderson College of Health, Business and Technology shall include a copy of the Sexual Violence Policy in every contract made between it and its students, and provide a copy of the Sexual Violence Policy to career college management (corporate directors, controlling shareholders, owners, partners, other persons who manage or direct the career college's affairs, and their agents), instructors, staff, other employees and contractors and train them about the policy and its processes of reporting, investigating and responding to complaints of sexual violence involving its students. *Any company participating in offering student internships on their premises must provide an undertaking in writing that it is in compliance with all applicable legislation, including the Ontario Human Rights Code and the Occupational Health and Safety Act and will provide students access to those policies should they encounter issues relating to sexual violence in the workplace.
- (b) The Sexual Violence Policy shall be published on its website.

(c) Career college management, instructors, staff, other employees and contractors of Anderson College of Health, Business and Technology will report incidents of or complaints of sexual violence to the Campus Director upon becoming aware of them.

(d) Students who have been affected by sexual violence or who need information about support services should contact the Campus Director.

(e) Subject to Section 4 below, to the extent it is possible, Anderson College of Health, Business and Technology will attempt to keep all personal information of persons involved in the investigation confidential except in those circumstances where it believes an individual is at imminent risk of self-harm, or of harming another, or there are reasonable grounds to believe that others on its campus or the broader community are at risk. This will be done by:

(i) ensuring that all complaints/reports and information gathered as a result of the complaint/reports will be only available to those who need to know for purposes of investigation, implementing safety measures and other circumstances that arise from any given case; and

(ii) ensuring that the documentation is kept in a separate file from that of the Complainant/student or the Respondent.

(f) Anderson College of Health, Business and Technology recognizes the right of the Complainant not to report an incident of or make a complaint about sexual violence or not request an investigation and not to participate in any investigation that may occur.

(g) Notwithstanding (f), in certain circumstances, Anderson College of Health, Business and Technology may be required by law or its internal policies to initiate an internal investigation and/or inform police without the complainant's consent if it believes the safety of members of its campus or the broader community is at risk.

(h) In all cases, including (f) above, Anderson College of Health, Business and Technology will appropriately accommodate the needs of its students who are affected by sexual violence. Students seeking accommodation should contact the Campus Director.

In this regard, Anderson College of Health, Business and Technology will assist students who have experienced sexual violence in obtaining counselling and medical care, and provide them with information about sexual violence supports and services available in the community as set out in Appendix 1 attached hereto.
